

Welcome to Comfort Medical

Thank you for choosing us

We look forward to becoming your trusted partner for your medical supplies. By enrolling with us, you've taken the first step towards a better life with catheterization. No matter how far you are on your path to recovery, getting used to life with a catheter is a journey. But you're not travelling this journey by yourself – we are here to help you.

This kit contains a free welcome gift as well as valuable information about Comfort Medical and all the benefits we have to offer.

Kind regards,
Your Comfort Medical Team

What you can expect

At Comfort Medical, we are committed to making it as easy as possible to manage life with catheterization. Here's how:

We provide easy reordering of your catheter supplies. **We always call you when it's time for your reorder** so you never have to worry about running out.

We work to **ensure an effortless process**: we help to complete all of your insurance paperwork, we work closely with your doctor, and we deliver your medical supplies directly to your door - free of charge.

We **assess your personal needs** to make sure that you are receiving the type of catheters that are right for your needs. We offer products that are of high quality and also those with the latest technology.

We have **free, direct-to-your-door** home delivery. We get your products to you within 7-10 days from order placement in discreet, unmarked packages for your privacy.

We offer **superior customer service**, with communication through email, phone, or regular mail to ensure you always have peace of mind.
